

TODAY'S GAME

The Concordia Stingers face a formidable task this afternoon when they open their Ontario-Quebec Interuniversity Football Conference season against the defending champion Queen's University Golden Gaels, ranked fourth in the CIAU rankings.

Doug Hargreave's squad is coming off a perfect 10-0 league rush this season and are the pre-season favourites to repeat as champions.

Offensively, the Golden Gaels will have veteran quarterback Tim Pendergast at the helm passing to the likes of O-QIFC all-star Reid McGruer and Rob Kennedy. The running duties will be shared by Rob Bird, Paul Beresford (551 yds, 6.1 ave.), Don Rorwick and Brad Elberg. The offensive line will be anchored by three-time O-QIFC all-star Bernie McDonald.

On defense, look for the Gaels to play an aggressive, blitzing style of football. The strength of the defense is the secondary which features two-time O-QIFC all-star Randy Zarichny, Chris McCormick and Courtney Treleavan. All-Canadian linebacker Mike Boone will quarterback the defense while returning linemen Dirk Brubacher, Keith Boyd, and Eric Dell will provide solid play on the defensive line.

The Stingers will need to take advantage of their scoring opportunities against Queen's. In last week's exhibition win over the Waterloo Warriors, Concordia moved the ball effectively passing for 200 yards and rushing for an additional 118 yards. However, coach Sheahan felt that they should have put more points on the board.

Veteran quarterback Ron Aboud will get the starting nod with Nigel Smith, J.F. Héroux, Robert Pinazza and Dio Mastrodomenico all expected to see plenty of action. The offensive line will be anchored by Paul Vajda, who is off to the best start of his career.

Defensively the Stingers hope to continue the aggressive play that forced Waterloo to commit eight fumbles. With just six minutes remaining in the game and the Stingers clinging to a nine-point lead, the Concordia defense stopped the Warriors on downs at the Stinger seven yard line to preserve the victory.
